Program Overview
The Population Health Summit for Virginia focuses on current approaches, plans, visions, and opportunities that can guide clinicians, policy makers, healthcare leaders, researchers, and individuals interested in implementing population health strategies to improve the care of the citizens of Virginia.

Educational Objectives
Through participation in this summit, the participants have the opportunity to:

- Identify and discuss initiatives currently underway in Virginia that are related to population health.
- Create shared goals and/or initiatives across multiple healthcare entities in Virginia for improving the health of Virginians.
- Provide opportunities for individuals from diverse healthcare agencies in Virginia to network and collaborate toward a common goal of improved health for its citizens.

Direct Providership Accreditation and Designation Statement
The University of Virginia School of Medicine awards 7.75 AMA PRA Category 1 Credits™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Hours of Participation Statement
The University of Virginia School of Medicine awards 7.75 hours of participation (equivalent to AMA PRA Category 1 Credits™) to each non-physician participant who successfully completes this educational activity. The University of Virginia School of Medicine maintains a permanent record of participation for six (6) years.

Disclosure of faculty financial affiliations
The University of Virginia School of Medicine, as an ACCME accredited provider, endorses and strives to comply with the Accreditation Council for Continuing Medical Education (ACCME) Standards of Commercial Support, Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines on the need for disclosure and monitoring of proprietary and financial interests that may affect the scientific integrity and balance of content delivered in continuing medical education activities under our auspices.

The University of Virginia School of Medicine requires that all CME activities accredited through this institution be developed independently and be scientifically rigorous, balanced and objective in the presentation/discussion of its content, theories and practices.

All faculty presenting in an accredited CME activity are expected to disclose relevant financial relationships with commercial entities occurring within the past 12 months (such as grants or research support, employee, consultant, stock holder, member of speakers bureau, etc.). The University of Virginia School of Medicine will employ appropriate mechanisms to resolve potential conflicts of interest to maintain the standards of fair and balanced education to the participant.

Questions about specific strategies can be directed to the Office of Continuing Medical Education, University of Virginia School of Medicine, Charlottesville, Virginia.

The faculty and staff of the University of Virginia Office of Continuing Medical Education have no financial affiliations to disclose.

Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices
The University of Virginia School of Medicine, as an ACCME provider, requires that all faculty presenters identify and disclose any off-label uses for pharmaceutical and medical device products. The University of Virginia School of Medicine recommends that each physician fully review all the available data on new products or procedures prior to clinical use.

Special Needs
The Americans with Disabilities Act of 1990 requires that all individuals, regardless of their disabilities, have equal access. The Office of Continuing Medical Education at the University of Virginia School of Medicine is pleased to assist participants with special needs. Written requests must be included on the registration form. Some of the conference venues used by the University of Virginia Office of Continuing Medical Education are registered historic properties and may not be fully ADA accessible. Please feel free to contact the facility if you have specific questions.

Registration
To register for the Population Health Summit for Virginia, please go to: www.cmevillage.com and click on Conferences and symposia, scroll to find Population Health Summit.

The registration fee of $25 includes registration for any/all of the educational sessions, syllabus materials, refreshments, reception and dinner. Please identify each session that you plan to attend.
