Forensic Investigator (CSI)
Chesterfield County Police Dept, VA

Salary: $35,822.00 Annually

Final Filing Date: August 27, 2015

Duties:

- Investigate and process crime scene;
- Evaluate and process evidence;
- Prepare detailed reports based on findings;
- Present expert testimony in court;
- Train department personnel in all aspects of forensic science;
- Enter and retrieve data.
- Perform other work as required.
- Please note that this is primarily a field job and not a lab job. Very little lab work is done in-house.

Requirements:

- Associate's degree in Police Science, Forensic Science, Administration of Justice, Criminal Justice; or an equivalent combination of training and experience.
- Good oral and written communication skills required;
- Ability to develop effective working relationships with law enforcement and legal representatives;
- Knowledge of automated systems;
- Good knowledge of the science of fingerprinting and the rules of evidence collection and presentation.
- Good driving record required. Must possess or be eligible for a Virginia driver's license with no more than six demerit points in the past twelve months or a DUI conviction in the past four years.
- Pre-employment drug testing and FBI criminal background check required.
