ALWAYS PAY ATTENTION TO THE NOTES. They provide the important details.

*2013-14 SY and beyond must take a virtual course.*
• NOTE 1 (Mathematics)
  For students entering the ninth grade for the first time in 2011-2012 and beyond: Courses completed to satisfy this requirement shall include at least three different course selections from among: Algebra I, Geometry, Algebra II, or other mathematics courses above the level of Algebra II.

• NOTE 2 (Sciences)
  For students entering the ninth grade for the first time in 2011-2012 and beyond: Courses completed to satisfy this requirement shall include course selections from at least three different science disciplines from among: earth sciences, biology, chemistry, or physics or completion of the sequence of science courses required for the International Baccalaureate Diploma. The Board shall approve courses to satisfy this requirement.

• NOTE 3 (Foreign Language)
  The Advanced Studies Diploma contains a requirement for either three years of one foreign language or two years of two languages. In March 1998, the Board of Education approved the provision of three years of instruction in American Sign Language (ASL) for foreign language credit toward an Advanced Studies Diploma; other foreign languages will satisfy this requirement as well. Details of this action are available in: Superintendent’s Memo, Interpretive, #1, June 12, 1998.

CREDIT ACCOMMODATIONS

• Pathways to the Standard Diploma only
• For students with disabilities
  ➢ Assessments
    - VMAST - EOC Reading and Algebra I
  ➢ Locally Awarded Verified Credits (LAVC)
    - Mathematics and English – students with disabilities only
  ➢ Courses
    - Parts A and Part B = 2 standard credits (certain courses) – students with disabilities
    - Personal Living and Finances (3120)= Economics and Personal Finance (6120) – students with disabilities
REMEMBER

✓ **ALL** students may use substitute assessments
  ❖ no need to document in IEP or 504 for SWDs

✓ **ALL** students may appeal for a LAVC in Science & History/Social Sciences
  ❖ no need to document in IEP or 504 for SWDs

✓ Must document through IEP or 504 processes to determine eligibility for credit accommodations exclusive to students with disabilities (SWD)
Eligibility for Credit Accommodations

• Student must have a current IEP or 504 plan with standards based content goals. (Working on grade level standards.)

• Student has a disability that precludes him or her from achieving and progressing commensurate with grade level expectations, but is learning on grade level content.

• Student needs significant instructional supports to access grade level Standards of Learning (SOL) content and to show progress.

• Based on multiple objective measures of past performance, student might not be expected to achieve the required standard and verified units of credit within the standard time frame.
VMAST

• VMAST (English Reading and Algebra I)
  – Pass the course.
  – Take the SOL twice and score 374 or lower on both administrations.
  – Eligible for VMAST
  – Document through the IEP/504
    • Written Consent
  – Score 400 on the VMAST
Locally Awarded Verified Credits (LAVC)

• Pass the course
• Take the SOL at least twice and score 375-399 on any administration.
• Determine eligibility
  – document through the IEP Team /504 Committee
• Provide written consent
• Demonstrate achievement in the academic content through an appeal process administered at the local level. (Appeal through your division’s process.) Some divisions continue to allow only 4 LAVCs; State Board of Educ. allows for more flexibility.
Coursework

- Two Part Courses
  - Algebra I Part A and Part B
    - Pass Part A = 1 standard credit
    - Pass Part B = 1 standard credit
  - Geometry I Part A and Part B
  - Pass Part A = 1 elective credit
    - Pass Part B = 1 standard credit

CONSIDER

• Set goals with your child. This keeps students motivated.
• Review the school calendar together. Note important dates such as progress reports, report cards and SOL testing.
• Check schoolwork regularly. This will help you celebrate the success and interrupt any problems.
• Help your child get involved with extracurricular activities. This helps them identify strengths, interests, and preferences. These activities can keep students engaged in school.
• Encourage your child to take rigorous classes. This will prepare them for postsecondary education, employment, and build confidence.
• Consider a visit to a university or community college campus.
• Think about finances early.
