Call for Abstracts!

12th Annual
Virginia Commonwealth University Medical Center
Resident/Fellow Research Day

Thursday, June 4, 2015
Molecular Medical Research Building

Instructions for submission: Residents and clinical fellows are invited to submit abstracts of basic science/laboratory or clinical research. Abstracts will be considered for oral or poster presentations based upon content, and depending on the number of submissions. Submissions must include:

1. Title
2. Authors (with the resident/fellow-presenter’s name underlined)
3. Resident/fellow-presenter’s department
4. Resident/fellow’s faculty mentor/supervisor
5. Designation as either basic science/laboratory or clinical research
6. Preference for oral, poster, or either presentation format
7. Structured abstract of no more than 300 words including the sections:
   a) Objectives
   b) Methods
   c) Results
   d) Conclusions
   e) Do not include figures or tables.

Submissions not meeting these guidelines will be returned. All submissions must be Word documents.

Cash awards will be given to the top presentations!

All abstracts must be submitted via email by **Friday, March 13, 2015** to:
